GIVE A YURT!

Give A Yurt!

With its circular design and spacious interior, the yurt encourages both social activity and quiet contemplation. It will form the basis of the sleeping and living areas for operations at the Rio Grande River HUB and the Mountain HUB. Based on the traditional Mongolian yurt, also known as a ger, these high-quality, affordable, durable yurts provided by the Colorado Yurt Company are the perfect service project for your small group.

Join other groups as we transform this Retreat Center into a place for ministry. The cost of your stay will be FREE while you build the yurt your group has helped pay for.

How You Can Help!

By committing to this service project, your group would:

- * Raise money to buy the Yurt.
- * The cost is \$36,000**.
- * Show up with your group to build your Yurt. (If this isn't your thing, construction of your yurt is included in the aforementioned cost.)
- * Work in the mornings.
- * Play in the afternoons!

Hiking and Climbing
River Kayaking
Zip Lining
Volley Ball
18 Holes of Disc Golf

Return each year for a free week of lodging in YOUR Yurt! (We would put your plaque right on the Yurt.)

** The Yurt budget includes:
\$17,000 for the actual Yurt
\$ 6,000 for the Yurt deck
\$10,000 for the Bathroom, Kitchen, and Furnishings including a wood stove
\$ 3,000 for utility connections

The Great Southwest

FARM has been running family ministry programs since 2000. FARM has two retreat center locations: The River HUB and The Mountain HUB, both in Colorado.

The River HUB is located on the Rio Grande River in the vast San Luis Valley.

The Mountain HUB is just west of Colorado Springs, close to all the amazing tourist locations of the region and also providing programming and activities on site.

The Yurts, along with RV and tent sites, will provide housing for families for many years to come. By funding a Yurt, you (or your group) would be a Founding Partner, and as such would have access to the reservation system a week before the general public.
